

Southside Connector Road

June 16, 2006 Update

The Southside Connector Road is a collector road that will ultimately provide a link between South Jeff Davis and the Hwy 92/Jimmie Mayfield intersection. At this time the South Jeff Davis side of the roadway is complete through the Clifton Lakes Subdivision and the Jimmie Mayfield side is complete at the Hwy 92 intersection. The entire road is expected to be completed in June or July 2006.

A new name has been selected for the roadway, "Helen Sams Parkway", in honor of Dr. Helen Sams, the first female physician in Fayette County.

Don Easterbrook may be contacted at 770-719-4156 for more information.
